

Smethport Fire Department

2014 News Letter

Station 2 News

May 2014

Thanks to our many supporters the new Engine arrived early 2014

2013 went well overall, our Truck Fund drive and Annual mailing fund drive yielded great donations from the citizens of the Borough and surrounding areas. Our Gun Raffle & Steak Bake event and Wheel Around the Hub Cycling Race event went well also, these events are 2 of our 3 biggest fundraising programs. In 2013 we answered calls for structure fires, mutual aid to other areas, motor vehicle accidents, trees down, brush fires, medical helicopter landing zones, medical call assists with Priority Care Ambulance, Carbon Monoxide alarms, and so much more. We are now con-

ducting annual fire drills with organizations like the Smethport Senior Center, please contact us through

New Engine being inspected and tested at the HME plant in Michigan

our website if your business or organization would require an exercise like that.

Our 2014 officers are Chief Steve Field, Deputy Scott

Thomas, Assistant Chief Bob Thompson, Captain Wayne Foltz, Lieutenant Tom Field, and Lieutenant Rich McDowell. 2014 Fire Police Captain is Robert Dunn.

2014 Administrative officers are President Greg Rounsville, Vice President Ed Hairston, Treasurer Scott Thomas, and Secretary Chuck Daniels. Trustees are Carl Smith, Vern Ritz, and Rot Burt.

A HUGE THANK YOU to all citizens, businesses, and organizations that have supported us in the past and present plus we look forward to our future with you...

2014 Truck Fund

Thanks to our many supporters our new Fire Engine arrived early 2014 but we still have a long way to go in accomplishing the full payoff of the unit. Another area that future funds will go towards is the purchase of

new SCBA units used for breathing and protection in fire, smoke, and other hazardous environments. The SCBA units will cost about \$5,000 per unit with about 12 needing to be upgraded in the near future. The new

engine has responded to accidents with entrapment, mutual aid calls, and a structure fire at a local refinery already plus much more...Please know we appreciate everything given to us and take nothing for granted.
